God ENCOUNTER

... conference

with
**BOBBY
CONNER**

Bobby Conner

This "Gentle Giant" is uniquely anointed with refreshing humor and razor-sharp prophetic accuracy which has been documented around the world.

Bobby's dynamic capacity to release outstanding demonstrations of the miraculous — healings, signs and wonders — reveals the very heart of the Father toward us! Surviving a dramatic abortion attempt by his mother, being rescued again by the hand of God from drug dealing and suicide, the story of Bobby Conner is a display of a man who now walks in his God-ordained destiny to set others free!

Out of his deep intimacy with Jesus Christ, Bobby is super-sensitive to what the Holy Spirit is now doing throughout the world!

The Father heart of God, expressed so beautifully through Bobby and his wife, Carolyn, lastingly transforms lives in every service.
