## Encountering Jesus Conference

The world is looking for a close encounter of the third kind, but what we really need are encounters of the God kind; through worship, prayer and the Word of God that would transform us and leave us hungrier than ever for His presence.

God will move the Heavens and Earth to find worshippers, and lovers of God

Psalm 27:8 *When You said, "Seek My face," my heart said to You,*

*"Your face, O LORD, I shall seek."* David speaking to God

Encountering Jesus Conference through praise, worship, praying the Bible and teaching of the Word would add fuel to your passion for Jesus and cause combustion of the fire within you so that you would never be the same again.
